Tel: +86 15942855826 Email: yuezy@zju.edu.cn

Educational Background

- 2019 – 2023 **Newcastle University**
PhD in Marine Technology
Thesis Title: The Role of Reliability in Container Shipping Networks
Supervisors: Professor John Mangan and Dr. Paul Stott
- 2017 – 2018 **University of Southampton**
Master in Transport Planning and Engineering
Dissertation Title: Package Receipt Systems in Multi-Tenant Buildings ----- A key to solving the last 30m
Major subjects: Transport, Energy and the Environment, Transport Data Analysis and Techniques, Transport Modelling, Transport Economics and Logistics Systems Operations
- 2013 – 2017 **Dalian Maritime University**
Bachelor in Shipping Management
Dissertation Title: The Influence on Traffic Flow Distribution of Completion of Lvshun Newport-Jingtang Port Cross-Bohai-Strait Tunnel in 2020
Major subjects: Shipping Management, Shipping Economics, Port Management, International Shipping Policy and Operations Research

Publications

Yue Z, Takim A, Mangan J and Yalcin E. Carbon footprint impacts arising from disruptions to container shipping networks. *Transport Research Part D: Transport and Environment*.

Yue, Z., Mangan, J. A framework for understanding reliability in container shipping networks. *Maritime Economics & Logistics* 26, 523–544 (2024). <https://doi.org/10.1057/s41278-023-00269-7>

Work Experience

- 06/2024-Now **Post Doctor, Maritime Logistics and Free Trade Islands Research Center, Zhejiang University**
- 10/2022-09/2023 **Teaching Assistant, Newcastle University**
– Assisted Masters students in literature review, data analysis and dissertation
- 09/2019-09/2022 **Chinese Teacher, Newcastle Mandarin Chinese School**
– Designed course curriculum for teaching 15 students between the ages of 12 and 15
- 08/2016-09/2016 **Intern at the Shipping Department, Dalian PetroChina Shipping Limited Company**
– Took part in business training and studied routine work flow
- 06/2016-07/2016 **Intern, Dalian COSCO Shipping Tanker (Dalian) Co., Ltd**
– Finished training and practiced operations for different positions

Conferences and Presentations

- 09/2023 **International Association of Maritime Economists Conference**
– Assessing the reliability of container ports on the China-Europe network
- 08/2022 **Royal Geographical Society Annual Conference**
– Analysing the impact of disrupted container shipping networks on climate precarity
- 07/2020 **Logistics Research Network Annual Conference**
– The impact of COVID-19 on container ports
